Ignite the Stars (Ignite the Stars, #1) by Maura Milan Ignite the Stars is a fast-paced sci-fi adventure with strong female characters. If you can suspend disbelief to get past the idea that a 17-year-old girl has been the most wanted criminal/rebel in the universe for several years, then this book is a fun ride, with a side of social commentary on immigrants and refugees. Amazon.com: Ignite the Stars (9780807536254): Maura Milan ... I received a copy Ignite the Stars from NetGalley in exchange for an honest review. This one is longer than some of my other reviews, but this book, with its strengths and flaws, is important and needs more words.
